

Hello Pastor and Church,

Missionary life is sometimes looked at through the lens of big events, such as Sunday services, Bible studies, and planned activities. While these things are definitely a part of ministry, there are also times when ministry life is all about the normal, everyday, steps forward. We would like to share with you all, the steps that God has been placing in our pathway.

Witnessing to people who have a form of Christianity without a relationship with God can be interesting. So, when you receive a WhatsApp message from a friend who asks about the differences between the catholic Bible and our Bible, that's a great text to receive. I was able to share with him some differences and he is continuing to read the Bible for the first time. Praise God for that next step in our friendship with him.

Learning a language can be difficult, but when your teacher asks you to bring your sermon in and asks Kimberly to bring a ladies devotion so that she can help us make sure our Spanish is correct, you take the opportunity. Then when she asks, can you please explain these verses to me, you take that also, thank the Lord for giving us those steps in giving the Gospel in such an open way.

Another step in the right direction is when we are finally able to fellowship together at a friend's house and he tells me that he doesn't mind if we pray before we eat, even though he's not religious in any way, we take that opportunity.

God has continued over and over to give us these glimpses, these steps forward, showing us that He is still at work in the lives of people in Spain and fueling our desire to continue sharing the gospel in every part of life.

VISA UPDATE

May 17th is the day we go before the judge. We collected and submitted all of our documents to our lawyer and now we wait for the day. Please be in prayer for this as the schooling situation has become connected to the visa renewal, which has made the process that more complicated. On May 17th our lawyer will present our case. Please prayer for wisdom for our lawyer and understanding for the judge. There is a possibility that we will not know the judges decision for a least another month. Thank you to all who have prayed and sent messages!

Thank you so much for you continued prayers and support! May God bless you all as we continue to work together spreading the saving Gospel message of Jesus!
